Seed

\$18 - 1 student

At the *Seed* level, your donation of \$18 or more each month can fund the total cost for 1 student to attend.

This cost supports school supplies and uniforms, food and snacks, teacher salaries, and more across all 6 schools.

Blossom

\$40 - 1 pre-k day

At the *Blossom* level, your donation of \$40 or more each month can fund the total cost for 1 day of operations at our newest preschool in Cap-Haitien.

This provides teacher salaries and snacks for these young brothers and sisters in Christ.

Fruit

\$100 - 80 meals

At the *Fruit* level, your donation of \$100 or more each month can fund the total cost for 80 meals for the orphanages.

Food costs continue to rise almost every day in Haiti. *Your help is greatly needed in this area.*
