

# Branch Lutheran Schools of Haiti

## In Haiti:

**31%** of the population under age 14 are malnourished & cannot access water

## At Branch Schools:

The 100+ orphanage children receive a full meal and clean water every day

**61.7%** is the literacy rate - the lowest in the Western Hemisphere

All students are taught to read and write

**75%** of people live on \$2.41 or less per day

Thanks to donors, there are no financial barriers to attend

**100%** of the culture is affected by Vodou beliefs

God's Word is taught diligently in school and at church
